### EXPERIENCE **Well Fed, Freelance Designer**

JUNE 2009 – PRESENT

Well Fed is an interactive agency located in Philadelphia. I work as a Freelance Designer with them on a regular basis. Projects range from building identities to creating seasonal lines of apparel design.

### **Red Tettemer, Jr. Designer**

JUNE 2008 – APRIL 2009

Red Tettemer is an advertising agency located in Center City Philadelphia. I worked as a Jr. Designer on projects ranging from creating multi-page brochures to illustrating online virtual-worlds. Main clients included companies like ScapeNation, Advanta, PBS Sprout and Pennsylvania Tourism.

### **Red Tettemer, Intern**

MARCH 2008 – JUNE 2008

My internship included working with designers and art directors and assisting in both design and illustration work for multiple clients. Learned quickly the process and fundamentals of how a professional advertising agency works.

### **Freelance Design & Illustration**

JANUARY 2004 – PRESENT

Over the last five years worked on various projects for a variety of clients. Identity, branding, album art, illustrations, editorial design, t-shirt design, and screen printing. Coordination of creative process with clients such as Well Fed, The Training Station, Malfunction Records, Reign Supreme, Braindead, No Regrets, and Blackhawk Networks.
